

## District Of Columbia 2010 - 2011

**Meeting community needs in the District Of Columbia.** More than **9,300** people of all ages and backgrounds are helping to meet local needs, strengthen communities, and increase civic engagement through national service in the District Of Columbia. Serving with more than **160** national and local nonprofits, schools, faith-based organizations and other groups, these citizens tutor and mentor children, support veterans and military families, provide health services, restore the environment, respond to disasters, increase economic opportunity, and recruit and manage volunteers. This year, the Corporation for National and Community Service (CNCS) will commit more than **\$37,200,000** to support the District Of Columbia communities through national service initiatives including:

**Senior Corps:** More than **760** seniors in the District Of Columbia contribute their time and talents in one of three Senior Corps programs. Foster Grandparents serve one-on-one as tutors and mentors to more than **2,700** young people who have special needs. Senior Companions help more than **0** homebound seniors and other adults maintain independence in their own homes. RSVP volunteers conduct safety patrols for local police departments, protect the environment, tutor and mentor youth, respond to natural disasters, and provide other services through more than **81** groups across the District Of Columbia.

**AmeriCorps:** This year AmeriCorps will provide more than **1,600** individuals the opportunity to provide intensive, results-driven service to meet education, environmental, health, economic, and other pressing needs in communities across the District Of Columbia. Most AmeriCorps grant funding goes to the Governor-appointed Serve DC-DC Commission on National & Community Service, which in turn awards grants to nonprofit groups to respond to local needs. Most of the remainder of the grant funding is distributed by CNCS directly to multi-state and national organizations through a competitive grants process. Other individuals serve through AmeriCorps VISTA, whose members help bring individuals and communities out of poverty by serving full-time to fight illiteracy, improve health services, create businesses, and increase housing opportunities, and AmeriCorps NCCC (National Civilian Community Corps), a 10-month, full time residential program for men and women between the ages of 18 and 24. In exchange for their service, AmeriCorps members earn an education award that can be used to pay for college or to pay back qualified student loans. Since 1994, more than **3,700** District Of Columbia residents have served more than **5 million** hours and have qualified for Segal AmeriCorps Education Awards totaling more than **\$10,500,000**.

**Learn and Serve America:** Learn and Serve America provides grants to schools, colleges, and nonprofit groups to engage more than **6,900** District Of Columbia students in community service linked to academic learning and the development of civic skills. This type of learning, called service-learning, strengthens communities, improves academic engagement, and prepares young people for a lifetime of responsible citizenship. Learn and Serve America also provides curricula and other resources to teachers, faculty members, schools, and community groups.

**Other Programs:** The District Of Columbia received two Social Innovation Fund grants totaling \$7,598,077 to support innovative and replicable solutions to education, economic, or health challenges.

The Corporation for National and Community Service is a federal agency that improves lives, strengthens communities, and fosters civic engagement through service and volunteering. CNCS annually engages more than five million Americans in service to meet local needs through Senior Corps, AmeriCorps, and Learn and Serve America, and leads President Obama's national call to service initiative, United We Serve.
